## AT THE SHOW

- IDENTIFICATION OF ANIMALS: The original paper registration certificate as issued by CLRC is required for all registered animals. No photocopies can be accepted. In the event of an oversight or omission, and at the show committee's discretion, electronic verification of CLRC registration will be permitted **as a secondary and back up verification method only**. It is NOT the show committee's responsibility to provide the electronic device and Internet access. If the exhibitor cannot provide this, the animal cannot be permitted to show without the original paper registration certificate.
- HEALTH CHECK: Prior to the show, all animals must pass the mandatory health check as outlined on the official *Health Check Form for CMGA Sanctioned Shows*. (See Show Rules Section A.5.) Be sure to have the form **signed** by all three members of the Health Check Committee or the licensed veterinarian **before** the judging begins.
- REPORT OF AWARDS: The Show Secretary must complete all the results for each division judged **before judging of the next division begins**. This includes ensuring that the Judge checks the tattoos of the Junior and Reserve Junior Champions, and Senior and Reserve Senior Champions, and this information is recorded. The Judge is the only authority when reading tattoos on an animal. As well, the Show Secretary must ensure that the complete results for each class are recorded immediately after that class.
- As soon as all of the classes are complete, each page of the *Report of Awards* must be signed at the bottom by the Show Secretary, the Show Chairman and the Judge. Each of the winning exhibitors must also sign next to the information for each of their animals, certifying that the information has been recorded correctly.
